EXPERIENCE

Open Source Contributor | SSOC | OSC | GSSOC — Sep' 25 – Present

- Contributing to 3 open-source programs, collaborating on real-world projects and applying Git, GitHub, code collaboration, and software development workflows.
- Coordinating 10+ contributor meetings and supported communication across distributed contributor teams.
- Promoting GSSoC initiatives, engaging 100+ students and encouraging participation in open-source development.

Community Volunteer | Pentaomnia Private Limited — Aug' 24 – Nov' 24

- Planned and executed 3+ cultural events, hackathons, and awareness campaigns with end-to-end logistics coordination.
- Led cross-team coordination and mentored volunteer teams, resolving on-ground issues and maintaining participant operations.
- Supported volunteer teams during 3+ events by coordinating tasks, participant communication, and on-ground activities.

PROJECTS

GitHub RAG Assistant — Full-Stack RAG Application | Live — Aug' 26 – Sept' 26

- Developed a RAG-based GitHub code assistant that processes natural-language queries to retrieve context-aware code snippets, leveraging document chunking
- Engineered the retrieval pipeline using document chunking, vector embeddings, and ChromaDB semantic search to surface relevant code context.
- Integrated React and FastAPI with the Groq LLM API to deliver context-aware responses in a full-stack application.

Tech: Python, FastAPI, React, ChromaDB, Groq LLM API, Vector Embeddings

VendorLink – Vendor Management System | Live — Jun' 26 – Jul' 26

- Designed a full-stack vendor management system using React.js, Spring Boot, and MySQL with JWT authentication and RBAC.
- Established RESTful APIs for vendor onboarding and inventory management across 3 user roles: Admin, Vendor, and Staff.
- Configured secure frontend-backend communication with role-based authorization and database integration.

Tech: React.js, Spring Boot, MySQL, RESTful APIs, JWT, RBAC, Git

BYOD — Classroom Management System | Live — Apr' 26 – May' 26

- Built a full-stack classroom management platform with 3 core modules: classrooms, announcements, and activities.
- Implemented 4 real-time features including announcements, focus tracking, and an interactive dashboard using Socket.IO.
- Engineered real-time device synchronization across classrooms using RESTful APIs and Spring Boot to maintain consistent connected state.

Tech: React.js, Spring Boot, MySQL, Socket.IO, RESTful APIs

TRAINING

Advanced Backend Development using Node.js, Express.js, MongoDB | Certificate — Jun' 26 – Jul' 26

- Crafted backend applications using Node.js and Express.js, implementing 5+ RESTful API endpoints for client-server communication.
- Modeled MongoDB schemas and CRUD operations, and implemented routing, middleware, authentication, and centralized error handling.
- Refined backend development skills through hands-on work with RESTful APIs, MongoDB, authentication and error handling.

CERTIFICATES

- Oracle Cloud Infrastructure 2025 Certified AI Foundations Associate | Oracle | Certificate — Jun' 26
- SQL (Intermediate) Campus Club, AUFS | HackerRank | Certificate — Jul' 25
- Introduction to Generative AI | Google Cloud Skills Boost | Certificate — Jul' 25
- Python Bootcamp | LetsUpgrade | Certificate — May' 25
- React.js Developer Certification (Proctored Exam) | Tech Veda | Certificate — Mar' 25
- Linux Commands and Shell Scripting (Proctored Exam) | Skillera | Certificate — Nov' 24

ACHIEVEMENTS

- Solved 300+ DSA problems across LeetCode, GeeksforGeeks, InterviewBit, and HackerRank. | Profile — Nov' 24 – Present
- Logged 2,500+ GitHub contributions across 200+ active days. | Profile — Oct' 24 – Present
- Qualified for the Flipkart GRiD 8.0 Screening Round, among the top 10% of 1.6 lakh+ applicants. | Profile — Jun' 26
- Achieved 2nd Runner-Up position in the Debate & GD Competition at BH-3 Hostel, LPU. | Profile — Feb' 25
- Earned LeetCode 100 Days Badge, 50 Days Badge 2025, Top SQL 50. | Profile — Feb' 25

EDUCATION

Lovely Professional University — Phagwara, Punjab
Bachelor of Technology — Computer Science and Engineering | CGPA: 8.0 — Since Jul 2024

CMA Higher Secondary School (CBSE) — Satna, Madhya Pradesh
Intermediate | Percentage: 81% — Apr' 22 – May' 23
Matriculation | Percentage: 72% — Apr' 20 – Jun' 21
